

## Minutes for May 5, 2020 MCPLA Meeting

The minutes from the April meeting were accepted as published.

The May meeting was again held via Zoom due to the current climate.

The treasurers report was completed, there is \$10,362.82 in the CAP fund and \$8,141.19 in the operating fund that also includes \$2,800 in payments for MCPLA events. There was a motion made and passed to only fund the CAP payments this year per member so the fee will be \$5 per member this year rather than the usual \$7.

Chet Hendrickson discussed the status of the courses. It was discussed that the courses with pool noodles in the cups need to have the noodle be cut short enough for the ball to stay in the hole. Or if we use the cover like Brown Deer that the cups need to be cut deep enough that the ball stays in the hole. Chet was going to discuss with the ground's maintenance people and John Canavan.

North vs South challenge is this weekend and both teams are full with 16 players. The North borrowed two players from the South. The event is at Whitnall with a 8:00 first tee time.

The spring championship currently has 69 people signed up with a couple more days before it closes. There will be 4 flights and 10-minute tee times starting at 7:00. Participants will have to post their own scores but the scoreboard will be updated and scoring will be in Bluegolf.

Second team rosters have been solicited with a May 18 return date. All clubs have indicated they will field a team. Second team is match play only with no stroke component so match play rules. Depending on the next week determinations will be made on how to best pay the greens fee. The clubs will prepay MCPLA the \$40 second team fee for flag events and the \$1 per person skins money, which totals \$100 for the season. Clubs need to provide their full team with handicap taken on the due date (May 18) so all handicaps are from the same date.

Respectfully submitted

Brian Pederson
