

**63rd ARNOLD WALKER MILWAUKEE COUNTY CHAMPIONSHIP**  
**August 26 & 27, 2023**  
**Brown Deer Golf Course**

Surprisingly cool and refreshing weather welcomed this year's contestants to Brown Deer!! Scores were good this year and most of the flights came down to the last scorecard turned in. Huge thanks to Scott Walecki and his incredible staff at Brown Deer. They all help make my job easier by their expert help and preparation. The course was in good shape and the new hybrid tees worked well. We also experimented with the C flight choosing white or gold tees. This seemed to be a welcome addition and we will probably continue this in the future.

Thanks go out to our starter Glen Jaeger who has been helping me for many years. He keeps the tee running smoothly and on time!! Thanks go out to Bob Gerszewski and Dan Carlson for helping spot on saturday. Thanks again to Jay Anosov who is always there to help scorekeep and make sure all is well with each player's scorecard.

Congrats to Jack Schultz for winning his 3rd straight Championship. He is fun to watch play the game how it should be played. Congrats to Dave Ullenberg for winning A Flight with a thrilling 4 hole playoff!! Congrats to Lou Luedtke for winning the B Flight in a come from behind victory. Congrats to Pete Tarantino for winning the C Flight. Plaques were awarded to each winner at the course and gift cards will be mailed to all winners.

It was awesome to see so many "younger" players competing this year. We had a family duel in the Championship Flight!! I hope this is a continuing trend so we all can grow our clubs with younger members. Thanks for a good year and I look forward to seeing you all next year.
