

**2021 MCPLA 2 MAN BEST BALL TOURNAMENT RESULTS**  
**Whitnall Park Golf Course, July 18, 2021**

**REMINDER: EACH PLAYER MUST POST HIS TOURNAMENT (T) SCORES FOR HANDICAP PURPOSES AS SOON AS POSSIBLE.**

Perfect weather along with good course conditions lead to a very competitive tournament today at Whitnall Park. This was the first time we sold out a tournament in a very long time!!! I am looking forward to seeing a nice big field at the Arnold Walker Tournament this year.

Congratulations to back to back winners Adam Hadrian and Joe Hafermann in the gross division and to Bruce Myslis and Matthew Dono for winning in a playoff in the net division. There was a problem with the scorecard printing the wrong handicap dots, but the scores were audited and are 100% correct based on the 90% course adjusted handicap criteria. We also had a problem with people not being able to write numbers clearly so James entered it incorrectly and we had to redo everything Sunday night. Aside from those, the Tournament went off very well thanks to PGA Professional James Grogan, his assistant Larry and Jason, the maintenance guru at Whitnall. These guys make my job much easier with their hard work. I would also like to thank scoring expert Jay Anosov. He has been helping me keep score for years and I thank him for all of his help.

Congrats to all of the Net and Gross flight winners. Gift cards will be mailed to everyone as soon as possible.
